

MAYTAIN CABINETS

THE KITCHEN RENOVATION SPECIALISTS

A DEDICATED DESIGN TEAM

Maytain Cabinets has a committed team of tradesmen with more than 40 years of experience in kitchen design and installation. Whether you're renovating an existing room or starting from scratch in a new home, Maytain Cabinets can help you plan and build your kitchen from concept to completion.

With a professional approach and knowledge in all aspects of design, Maytain Cabinets can help with your design ideas or develop a concept to achieve a room that best suits your lifestyle. The company's tradesmen can work with you, your builder, your own designer or your architect to complete your project, whether it's a kitchen, laundry, home office, bar or commercial fit-out.

Maytain Cabinets also designs, manufactures and installs vanities, wardrobes, entertainment units, wall units, shelving, storage, desks and other corporate and residential rooms and units.

Designed by Norm Ainsworth from Maytain Cabinets, the featured kitchen boasts an impressive design and is also functional. With abundant space for storage and a well thought-out design that values ease of use, the kitchen has

a large island bench, two pantries, a double butler's sink, energy saving Zip HydroTaps and appliances from Miele, Qasair and Gaggenau.

The kitchen features more than 40 drawers, each with Blum's soft-close function, and Farmers handles. Benchtops in the kitchen are comprised of 40mm thick granite, which has also been used on the splashback. Glass shelving and downlights were installed in each of the four glass door units, providing a dual function – storage and display.

Maytain Cabinets delivers projects on time and on budget, always prioritising ease of use and style. Visit the Salisbury showroom to view the company's range of traditional, modern, high gloss and Farmers kitchens. For a high quality kitchen designed and built to your specifications, contact Maytain Cabinets today.
